Schedule of Philippine Studies-related events:
AAS-in-Asia Bangkok 2019
Drafted May 25

Sometimes it is only in the abstract that one can see the Philippine-related content; please consult the on-line schedule for those abstracts (https://www.eventscribe.com/2019/AASinAsia/index.asp?launcher=1).

This is a list compiled by Paul Michael L. Atienza (PSG advisory member) just using keyword searches [e.g. Philippines, Filipino, Filipina, Manila, Cebu, Davao, Luzon, Visayas, Mindanao], there’s nothing more systematic about it and I’m sure I’ve missed things and made errors. Please help by sending corrections: atienza2@illinois.edu
